

TRANSFORMATION TEAM MEETING NOTES/ACTION SEPTEMBER 26, 2021

Kimberly, Vivien, Tara, Kellie, Melissa, Judy, Ben, Gary, Lee Ann. Absent: Andrea, Steve

1. Debriefed about Fishbowl service. Consensus: It was successful, and we got feedback that we were more clear and focused on a vision but people aren't sure what we can do
2. Consensus is to allow people into group but encourage these classes and explain that it is working group that meets weekly.
3. Lee Ann to reach out to two interested parties who came up to Vivien after the Fishbowl.
4. Discussion on who to invite into committee? Do we require some prior knowledge or just ask if they would take an unpacking racism class?
5. about becoming anti-racist. "Is there really anything to be done" was some of the feedback from the congregation. Others wanted to be more involved.
