Identify power centers that may be disruptive to effective running of church

Outreach to members; coffee hour?

Book Group - what's next?

### Discussion:

1. MOED Report: Give out only office phone and not personal phone or email. Use MOED office 310-375-1811.
2. Process-We tend to not have policy and procedures for involvement. We need to go to board if we want different processes in place. Ex. Luminescence planning-how do we plan? Who gets to plan?
3. MTT process. What is it? Review action items. Review open issues. Meeting will be 45 minutes on administration and 45 minutes on transformation education?
