7 Winner(s)

Date Saturday, November 16, 2024 at 07:00 PM

Starting Bid: \$40.00

Enjoy an evening of belly laughs, thought-provoking parody, and a selection of single malt Scotches at the Redondo Beach home of Lora Childers and John Einhorn. This year, we enjoy a showing of Monty Python's "The Meaning of Life." If you haven't seen this movie a thousand times like we have, the wacky, witty and sometimes bizarre 1983 musical sketch comedy explores the seven stages of life according to the British comedy troupe. Stage V alone (Live Organ Transplants), is worth the price of a winning bid. We will immerse ourselves in Monty Python's stages of life by enjoying a variety of single malt Scotches and/or games each time the movie transitions to the next stage of life. As always, prizes will be awarded to game winners. Carefully curated sweet and savory goodies will be served to complement the Scotch. If you've been to one of our previous auction offerings, we do our best not to repeat Scotches, so hopefully you will enjoy 5 single malts that you haven't tasted before, at least at our home.
