

Pacific Sage Preschool Lantern Walk and Mini-Concert

Thursday – Nov. 21, 2024

6:00 pm – 7:30 pm

“Friends are lights in the winter; the older the friend, the brighter the light.”

----Roger Rosenblatt

Winter’s cold and darkness will soon be here.

...But there is always safety and warmth in numbers, so please join with Pacific Sage’s friends and families, old and new, for a lantern walk into our dark and cold canyon. We will sing and light our way to the love and magic of the coming holiday season. There will be a special holiday mini-concert by the Pacific Unitarian Children’s String Ensemble in the “big hall” followed by treats.

Dress warmly!

Children are making their lanterns. Others should bring a small light.
