Our Vision

We envision Pacific Unitarian as a recognized leading spiritual community seeking to grow, connect, transform, and heal.

Our Mission

We gather as a welcoming, progressive congregation where all are free to seek truth and meaning. We put our UU principles into practice by nurturing the spirit, creating community and working for justice in the world.

Our Values

Interdependence

We honor the interdependent web of all existence. With reverence for the great web of life and with humility, we acknowledge our place in it.

Pluralism

We celebrate that we are all sacred beings, diverse in culture, experience, and theology.

Justice

We work to be diverse multicultural Beloved Communities where all thrive.

Transformation

We adapt to the changing world.

Generosity

We cultivate a spirit of gratitude and hope.

Equity

We declare that every person has the right to flourish with inherent dignity and worthiness.
