

FREE COMMUNITY SCREENING FRIDAY 5/2 AT 7 PM

6:30 PM DOORS OPEN FOR VEGETARIAN POTLUCK DINNER

Centered on men in contemporary dance, Lives Beyond Motion, is a love letter to every creative in the arts. Filmmaker, Keith Glassman, explores the lives of intergenerational and celebrated men who have made their mark on and off the stage. It gifts us a rare level of transparency as they share their sacrifices, triumphs and struggles to transcend economic, racial and sexual marginalization.
